SOCIALLY RESPONSIBLE ISLAMIC INVESTMENT PHILOSOPHY

The Fund's socially responsible investment philosophy means it will not invest in companies earning more than 5% revenue in the following lines of business: alcohol, tobacco, gambling, pork, pornography, interest-based banking, and the weapons industries as deemed by the Adviser. Moreover, the investment team avoids investing in companies carrying excessive debt. The team believes that companies operating in a financially responsible manner, offer promising opportunities for sustainable growth in the long term.

INVESTMENT ADVISER & PORTFOLIO MANAGEMENT

Azzad Asset Management, an investment advisory firm established in 1997, is investment adviser to the Azzad Funds. The firm is committed to helping clients manage their money according to a disciplined, socially responsible investment philosophy based on faith-based values. Kimberly Scott, CFA®, and Bradley Halverson, CFA®, from Delaware Funds by Macquarie provide portfolio management for the Azzad Ethical Fund. The portfolio management team uses a time-tested process to identify Greenfield Growth, Stable Growth and Unrecognized Growth companies it believes can provide opportunities for long-term outperformance.

WHY INVEST IN MID-CAP STOCKS?

US mid-sized companies typically possess the innovation and growth potential of small-cap companies, but with the capital structure of large-cap companies. We believe mid-cap companies are an investment "sweet spot" in the U.S. economy. Whereas most Islamic funds focus on large-cap stocks, the Azzad Ethical Fund provides exposure to this sometimes underutilized asset class.

To purchase the Fund, contact your financial professional or call us at **888.86.AZZAD**. The Fund is available on many brokerage platforms including Schwab and Fidelity. For a full list of platforms, visit our website at azzadasset.com/azzad-funds.

Carefully consider the Fund's investment objectives, risk factors, charges, and expenses before investing. This and other information can be found in the Fund's prospectus and summary prospectus, which may be obtained by visiting www.azzadasset.com/azzad-funds/ or calling 888.350.3369. Investors should read the prospectus and summary prospectus carefully before investing.

Investing involves risk, including the possible loss of principal.

Investments in small and/or medium-sized companies typically exhibit greater risk and higher volatility than larger, more established companies.

Index performance returns do not reflect any management fees, transaction costs or expenses. Indices are unmanaged and one cannot invest directly in an index. The Russell MidCap Growth Index measures the performance of the mid-cap growth segment of the US equity universe. It includes those Russell MidCap Index companies with higher price-to-book ratios and higher forecasted growth values.
